

Genie Z60/34s 4x4 Diesel Working Height 20.39 Metres (67.29 ft)

£17,950.00

Self propelled booms are a type of aerial platform suited to a wide range of tasks, including working on construction sites where space and access is restricted. Our articulated booms enable you to go up and over nearby obstacles. Supplied fully serviced, tested, inspected and with a new 6 monthly LOLER certificate. Call the GTM hire desk on: 0845 643 5708 for more details.
