

JLG 800AJ

£POA

The JLG 800AJ Cherry Picker has 4WD capability and is capable of reaching a working height of 26.28m.

With an extra knuckle in the arm to give additional flexibility and an articulating jib, the JLG 800AJ Cherry Picker has excellent versatility when moving around obstacles when working at height.

The JLG 800AJ Cherry Picker has 4WD capability, rough terrain tyres and good ground clearance.
